"We are excited to recognize Arrow Electronics for their commitment to our customers and their exceptional collaboration as a Littelfuse channel partner," said Dave Heinzmann, Littelfuse President and Chief Executive Officer. "Arrow has helped our company drive sales growth, increased demand and operational excellence. Close alignment with our distribution partners is an important part of our strategy as we continue to grow the business and expand our product offerings."

Arrow Electronics is a global provider of products, services and solutions to industrial and commercial users of electronic components and enterprise computing solutions. Arrow serves as a supply channel partner for more than 150,000 original equipment manufacturers, value-added resellers, contract manufacturers and commercial customers through a global network. The company maintains more than 300 sales facilities and 45 distribution and value-added centers, serving more than 80 countries.

"Arrow is truly honored to receive this prestigious award from Littelfuse for three consecutive years," said John Drabik, President, American Components, Arrow Electronics. "Arrow and Littelfuse have a long-standing collaboration, and this award exemplifies the hard work and commitment our teams put forth to drive growth, expand our customer base and win new designs. We look forward to working together to deliver innovative solutions to

Littelfuse congratulates Arrow Electronics on winning the 2017 Volume Distributor of the Year award.
