Littelfuse Far East Wins Seventh TTI Supplier Excellence Award for 2017

Award represents highest recognition possible of a supplier's performance within TTI Asia

CHICAGO, April 16, 2018 — [Littelfuse, Inc.](http://Littelfuse.Inc) was recently recognized with a 2017 TTI Supplier Excellence Award presented by TTI Asia to Littelfuse Far East. Peter Kim, Vice President, Global Sales, Electronics at Littelfuse, accepted the award on the company's behalf.

Kim said, "We're very pleased to be recognized by TTI Asia, a well-regarded leader in electronics distribution. This award highlights the continuous value we strive to bring to our customers and our associates' relentless commitment to providing industry-leading quality and service."

Sam Sung, Vice President, Product Management at TTI Asia, noted, “We are very pleased to present Littelfuse with the Supplier Excellence Award. This is the seventh consecutive year that Littelfuse has won this award. Achieving the platinum level requires five consecutive years of award recognition, and continuous recognition each year to maintain platinum status. Our Supplier Excellence program focuses on quality measurements that include on-time delivery, receiving quality, customer-reported quality, administrative quality, operations and business systems. Littelfuse has demonstrated consistent dedication in these areas. On behalf of the TTI team, we would like to express our sincere gratitude to all colleagues at Littelfuse for their ongoing support.”

About TTI

Headquartered in Fort Worth, Texas, TTI, Inc. celebrated its 45th anniversary in 2016 as the world's leading authorized distributor specialist offering passive, connector, electromechanical and discrete components. TTI's extensive product line and supply chain solutions have made the company the distributor of choice for industrial, military, aerospace and consumer electronic manufacturers worldwide.
