Littelfuse Receives Supplier Excellence Award From TTI

June 6, 2019

Littelfuse Continues its Platinum Level Status, Recognized for the 10th Consecutive Year

CHICAGO--(BUSINESS WIRE)--Jun. 6, 2019-- [Littelfuse, Inc.](#) (NASDAQ: LFUS), a global manufacturer of leading technologies in circuit protection, power control and sensing, today announced that it was recognized by TTI Americas with the Supplier Excellence Award during the recent Electronic Distribution Show (EDS) in Las Vegas, Nevada. This is the 10th consecutive year that Littelfuse has been awarded this distinction.

"We are excited to again recognize Littelfuse with the TTI Supplier Excellence Award," said Melanie Pizzey, TTI Vice President, Global Business Operations. "Over the past decade Littelfuse has demonstrated a continuous commitment to excellence in building strong collaboration, improving quality performance, and delivering outstanding service for our customers."

"It is a great honor to receive this award—for the 10th consecutive year—from TTI, a highly respected leader in electronics distribution," said Deepak Nayar, Littelfuse Senior Vice President and General Manager, Electronics and Industrial Business. "This award recognizes the commitment of our global teams and their dedication to providing the highest level of quality and service for our customers."

The Supplier Excellence Program was created by TTI to recognize the company's most outstanding suppliers. The award recipients are chosen based on exceeding performance goals in quality, operational excellence, and management engagement.

About Littelfuse

Littelfuse (NASDAQ: LFUS) is a global manufacturer of leading technologies in circuit protection, power control and sensing. Sold in over 150 countries, our products are found in automotive and commercial vehicles, industrial applications, data and telecommunications, medical devices, consumer electronics and appliances. Our 12,000 worldwide associates partner with customers to design, manufacture and deliver innovative, high-quality solutions, for a safer, greener and increasingly connected world - everywhere, every day.
